My Dear Sir

Yours of yesterday is received, & Mr Kelley has in from Dr. Laing. I am sorry he stands in the predicament he does. I have come down to the office to look over his account, & I find that he owes us now $652.62, with his salary credited to the end of this month!

I cannot see the Sy. Gen. to day — but I take the responsibility & send him check for ~~$100.00~~ 75.00, which I hope will enable him to get to Boston — & we must then help him through somehow — I hope he will go to Boston immediately.

I inclose you check on the Union Bank for $3.000.00, as you suggested in your letter some days ago.

I will inquire about Willard as I do not know any thing good or bad of him — myself —

I am better of course — the inflamation in my throat being almost gone — & I am improving fast — but I had a hard time of it — all are at home —

Yours truly
W. McLain
