Dr Jas. Hall

Dear Sir

Having a desire to see the coast of Africa and not being able to meet the necessary expences of passage &c, through the advice of Mr. Thos. Atkins who has been on the coast, I make the following application viz. if there is a vacancy on any of your packets, upon wich I might obtain a situation) as supercargo, you would do me a great favor by confering such office upon me. the amount of compensation required for my services, will be no doubt satisfactory to you and your associates. If any referance's are required I can furnish you them.

Yours &c
