Doctor James Hall.
Baltimore.

Sir!

I take the liberty to address you these few lines, the object is to let you know that my friend C. L. de Randamie of Liberia has sent to your care in the commencement of last year a small Package frame, which I suppose must be at your possession, therefore I must beg the kind favor of you to send same frame by the first opportunity, perhaps not knowing the person, or same may have a postage to pay that it remains to come in power so long, whatever is the cost of it you will greatly oblige me to send it to me, and Draw on me for the value to any Merchant of this place.

I remain Sir.

Your Obt. Servt.
