Mr James Stull
Baltimore Md

Dear Sir,

We were, a few days since, handed by Hon. William E. Kennedy of this County your letter of 11th May last addressed to Mr William T Kennedy Memphis, which seems to have reached its destination at Memphis and was on 5 June forwarded by W T Kennedy of Memphis to Will E Kennedy here.

It seems that the Box in question, was sent by some of the Liberated Slaves of Wm E Kennedy in Liberia to him, containing a specimen of the Coffee of their own growing as well as of some of the principal Roots on which they feed in that Country. The things are of little or no Value, though highly prized by Judge Kennedy He would be very willing to pay Freight Charges on the Box if it can be started and got through in that way. Or if you are shipping any goods to Nashville and could get it into a package directed to Jo Edwards at Nashville and to ourselves at this place, all Charges would be paid at Nashville by Edwards and it would come safely through. In case you are making
