**STAINBURN'S VEGETABLE EXTRACT PILLS,**

See that every Box you buy, has this label on it.

MADE ENTIRELY OF PURE COLD PRESSED EXTRACTS WITHOUT THE AID OF ARTIFICIAL HEAT. STAINBURN'S VEGETABLE EXTRACT PILLS. Beware of Counterfeits.

THIS MOST POPULAR OF ALL MEDICINES has truly gained the confidence of the many thousands of sufferers who have used it, in many forms of disease, with UNFAILING SUCCESS.

The following complaints have always been cured when the Stainburn Pills have been taken according to the directions which accompany each box:—

Consumption and Colds, Whooping Cough, Pleurisy, Rheumatism, Fever and Ague, Liver Complaints, Scrofula, Biliousness, Dropsy, Small Pox, Eruptions in the Skin, Cholera, Siles, Etc.

A vast number of communications have been received by the proprietor, each proving a cure of some of the above diseases, and which might here be inserted, but it is hoped the following will be sufficient to place beyond all doubt THEIR CURATIVE VIRTUE.

From Dr. Reed, of Virginia Norfolk, June 12, 1841. Dr. Stainburn—Sir: Since I last wrote you, I have seen several persons who have been using the Vegetable Extract Pills, and in every case they have proved themselves worthy the name they bear. A young man by the name of John Forsythe, had been wasting away in a seated consumption for several years, and by using the Extract Pills for about two weeks, his cough, pains, &c. left him entirely, and he is now so well as to be about his ordinary business. Indeed, sir, from the rapidity of the sales, the value of your pills may be safely discerned. I am entirely out of your daily calls for them, and wish you would forward me more as soon as possible.

Yours, &c. THOS. S. REED. From Massachusetts Worcester, July 17, 1844. Dr. Stainburn—My daughter, who had a distressing cough, raised a great quantity of phlegm, and who was afflicted with palpitation of the heart, had taken a box of your Vegetable Extract Pills, and is now quite well. Others bear testimony to their good effects.

Yours respectfully, JOHN STRIKER, Jr. The Pills are sold Wholesale and Retail at Dr. Stainburn's office, No. 7 Ann Street, and by most of the respectable Druggists in New York. Also, by one agent in each village in the United States.

CAUTION TO AGENTS. The immense demand for the Stainburn Pills has induced some unprincipled rascals to make a counterfeit, and hawk it about the country; but let agents be aware of these persons, and remember that he who sells a counterfeit medicine, or encourages such vile traffic, is as much to be shunned as the poisonous adder—let him not be housed or fed, drive him from your houses and from your villages, as you would drive away a dangerous pestilence; for, assuredly the creature who could sell to you a counterfeit pill, to rob you of your health, is base enough to carry the assassin's knife and take away your lives.

My travellers are each furnished with a power of attorney, signed Jas. W. Stainburn, and proved before a Notary Public of the United States, and also by the Clerk of the City of New York, they also bear the Notarial Seals of the United States and the City of New York. You will therefore please to preserve this advertisement, and should any person offer you my medicine without such power of attorney, do not deal with him for your own credit's sake, but punt him to it, and say: 'Thou art the man to be despised and shunned.'

N. B. Agents who may desire supplies of my pills before my travellers call upon them, will please forward their orders per mail to No. 7 Ann Street, and oblige their obedient servant. Jas. W. STAINBURN. New York, April 12, 1845.

**For Sale.**

Pursuant to competent authority, I now offer at private sale three valuable farms belonging to Dr. Devereux Travers. One of these farms is beautifully situated on Great Choptank river, about two miles from New Market and adjoining the lands owned and occupied by James Thompson Esq. It contains about 260 acres and is considered very healthy. The soil is good and I understand 1000 cords of wood may be spared, and leave enough for all necessary purposes. Another of these farms, is the one at present occupied by Jas. Moore Esq. and situated between Elden & Fairview. Without exaggeration it may be said that there is not a more beautiful or eligible situation on the Great Choptank than this. A fine two story brick building and all necessary out houses, land already improved and susceptible of improvement to a very high degree, vast resources near at hand, a beautiful view of the river, a plentiful supply of oysters, terrapins, wild ducks, &c., good water, a healthy location, and an agreeable neighborhood, are some of the advantages attending this farm. It contains about 270 acres of land, has upon it several small tenements, a granary for the purpose of taking in grain for vessels, & a valuable landing. The other is also situated on Great Choptank in Talbot County and the lands on each side of it belong to Wm. Hughlett Esq. This farm is generally known as the "Devereux Farm," is healthy, and beautifully situated, and has plenty of wood on it to cover it all over, with timber sufficient to support the Farm, and some say to spare. It is not often that such situations can be had, they are in every respect either for speculation, or as permanent residences well worthy of attention, and great bargains can be had. Title indisputable and a short credit will be given. Apply to

The said farm will be sold at public sale, on the premises, on the first Tuesday in June next, (if not previously disposed of at private sale,) on the following terms: one half of the purchase money to be paid in cash on the day of sale, and the balance in two equal instalments of one and two years, with interest thereon from the day of sale, by the purchaser giving bond and security approved by the Trustee.

**COLLECTORS NOTICE.**

THE undersigned takes this method of informing the public that he has his books now made out for the present year 1844, containing County charges, Direct tax and officers' fees. It is generally known that I have large demands to meet, and these demands will be expected of me punctually. It would be conferring a favor on me by coming forward and settling immediately. There is a number of accounts on my books for the year 1843, yet unsettled. I have heretofore urged upon the people the propriety and even the necessity of an early settlement. I regret very much that I have been disappointed in the effects of the different appeals I have made to the people upon this subject, and hope they will no longer delay to have pressed those accounts that are due me would be regrettable to my wishes, and at the same time would increase the debt of the payer. I am in hopes that the above notice will be attended by all of those who pay taxes or have contracted debts with the Register, or Clerk of the County or any of the Law Officers.
