of this check is to pay for those things. the other two hundred dollars of the check please send to Samuel Wiley Gainesburgh. send this money also to some safe house in Monrovia and please let Genl. also know where to get it at Monrovia, please send the kind of money that you know will suit him best there. I presume gold or silver. but you know best. I intend to be in your City of Georgia next April before the Ship starts, and if the $100 is not enough to purchase the flour nails and bacon I will then make it all right

May I ask the favour of you to write to me and let me know the best way to put up bacon to send to Liberia. I am sorry I cannot pack to send to them by the Stevens in Nov next and work to put it up so that it may go safe.

I am afraid Dr Sir I am troubling you too much but you will know excuse for this class of people. and your kind offer when in Baltimore is my apology for troubling you at this time

Yours truly
and affly
G. W. Wiley
