Oxford Chester Co. Pa. Nov. 29th/58.

Dr. Hall,

Very dear Sir, on my return to this place a few days ago, I learned from a ladies sewing society in this vicinity, that while I was away they forwarded to your care a box of clothing marked for Liberia & directed by a card to me as far as to Baltimore, in order that I might attend to the shipment thereof &c. But of course this box did not reach your place of business before I left, & perhaps not before the vessel had sailed.

I write this to ask whether you have seen any thing of it at all or not; I do not expect you to take any of your own precious time to answer this, but if you will be so kind as just to allow Christian to write me a line merely to say as to whether the box has ever reached your place or not. If it is in your care I am perfectly satisfied, & the ladies will be also, but if not we will be compelled to look after it the best we can. If it is in your care you can send it to Liberia I will pay the expences. Yours A. Miller
