aid to the amount of ten or fifteen dolls —

They ask for bk ct Calico which they can readily dispose of at 25 cts per yd —

To avoid the expense of freight - as well as the risque of loss - between this place and Baltimore, I write to ask if you will aid me by procuring this calico - and having it shipped on the Mary C Stevens, when she sails the first of next month ?? and if I send a little money - how should it be transmitted to them?

By letting me hear from you speedily on this subject and giving me your assistance a substantial kindness will be conferred on myself and also two, I hope — worthy emigrants to Carysburg - Western Africa which is their direction —

Very Resp tly
