If Waring remains till he gets settled he will be a useful citizen of Liberia but I have had my fears — He was superior to others here & treated with respect & attention this has its effect — There he will meet with equals —

His friends at Maddison tell me they are quite & I know nothing to say about his business you will see him & can say as much about the N. Carolina affair I hope he will not make any hasty decision about returning you will be able to agree with him & let him give the country a fair trial & then come back if dissatisfied — His wife was opposed to a removal

Wishing you a prosperous voyage & a happy return I am yours truly
