Sincerely a copy of the bill of the schooner Cora prize to be sent herewith is optional with you whether to take them or not, as the Marshal can be trusted & I can ship them for sale on my own account. It is possible that the Ship may not come to town but I may get an answer from you on this head, as I would return the stores till the sailing of my own vessels if you should decide not to take them —

Very respectfully yours
Stevens Walker

Rev. R. R. Gurley

Dear Sir. I feel extremely anxious to know Dr. Scofield's opinion, please tell me if his medical advisers consider his case at all alarming. as I have heard a word since his attack —
I know nothing from the Sheik yet — 11 days out.
I hope to hear favorably decision —

Very truly yours
Stevens Walker
