Rev. J. H. Adams

My dear Sir. Your favor of the 13th came to hand this morning & I have made mention of the same subject to more with you, informing you that all any reply on the 13th was due only another week. I have known the principle under which they act will on the 13th. I have written to Gov. Pinkney this, & have you that you will get that the matter be kept in the people's hands, that to make it up for a misfortune. I have some of any matter come to with the State & the more keeping the key of the Rev. Adams. You remember I spoke people on I have 240 boys, 25, boys of the respectably, 25, people of the State, 25 more & the people are shall be at least 100 making 500 in all, which you can with the aid of the people. The plays for Esq. Mayo I get on Esq. will attest & get of the City & will willing you. There were many little plays of no old under the Commission. The other they came to Mr. Mayo! Mr. Mayo! Charles for a big letter from Sunday with a big play of Esq. Rembaldy & design - under if it will come the broadcast of big were due some time, for Thomas "to fill of the ship from the other & send all the Commission papers" & which he is writing me - the matter to be with the documents will - Select in. I fully for my opinion of Mr. The course of Mr. G. is perfectly a strong profession of a matter to talking then - that the City will not be carried the Sec. or I shall report on occasion. That the Colonial Sec. or chief of the Sec. should affirm the City & I have only should be with you when & be responsible. Yes Yes - Yes - the Sec. be carried, & should affirm with you in your return & pay over. The hope be - cause the very Friends. You must be prepared for some deliberations. By the Gov. from the 27th of the of board of the people after May 24th 1855 passage of this people.
