Capt R. Gatton
Brig. Ch —

Dear Sir. I take the liberty of calling your attention to a matter of interest to the Society of our Colonists. I trust you will pardon it for the interest of your Society & patronize this our Ship. I am sure many things will be done by the Mate & Crew if they a Christian Ship — Things relating to them will often be of importance, therefore on the Mate. This ship is I think the proper one, more more & time the strong glory the good there & probably to the benefit of many benighted & dark guilty. If there be of any use to you or your brethren on the in any way render you any assistance before I go, or on the other side please to communicate me — The Ship will sail on the 25th Nov., or the Day of Justice —

Very truly & faithfully yours
