Col. Office Balto. Oct 24th 1856

To Mrs Virginia B. Stephen
Jackson Va.

Madam. Your favour of the 20th came duly to hand, but I cannot say whether the boy you speak of having forwarded has been received or not, as boxes & packages are daily coming to this office for parties in Liberia. None however have come to hand addressed to Mary Ann. Davenport.

One Anna addressed to me which must likely is the one referred to. I opened it to see if there was any direction inside the cover, but found none. It appears to be in a female hand, & from Mobile & on top there was simply Square Letter. If you can inform me whether this is the right boy I will be obliged to you. It cannot be sent without proper direction.

Very respectfully Your
Henry Miller
