Rev'd Mr McLean

Dear Sir. Your favor of 27th left at hence, I thought to answer Mrs question yesterday —
Dis relative, every thing else, relative, the ship, which must be named "Mary Caroline Stevens", which is yet on Commission, shall leave this port on Saturday the 29th.
But I doubt if I could say leave Norfolk Early before the 5th or 6th main depends before that day —
Before I leave give package of Letters with Mr. Wells being delivered to Mr — left Colony for him — but only left it to himself — yes — Cannot do it. To pain me much.

Truly Yours

Mary Hill
