Dear Sir & Brother. Rec'd this, the Treasurer, although on the receipt on the 8th. been given hundreds dollars subject on the appropriation unexpended & undrawn —

It may be pretty safely said that we have found upon the faith of the State & the act of 1860 — depends on of the Planters to show friendly disposition towards —

You have our Pres't. Northwood is in Chicago. Many to continue, or if not most likely he will not be disposed to act. So that if anything is found to done would it not be better to allow the Bros of the old Md. Col. Society (Rev. Mitchell) with Secretaries of the Board of Managers" or according to the wording of the act — and you read over the other night — "Board of Managers" — The wording of the resolve of 1858 says "Board of Managers appointed under the act of 1858". which would not do —

I thought it important to place these few facts & suggestions before you, as you might be able to suggest or write to Thomas Thomas would at least —

Should it occur to you that other information would be necessary or desirable, please write me —

Never would it do to get the chairman of the Com. on Colon. Rep. to introduce the Res. & you advocate it. or say at least it ought to pass — as the money is away —

Very respectfully Yours

Thomas Hill
