Gen. Sup. Md. State Col. Soc.

Dear Sir I addressed you on the 3d inst. with Enclosures in regard to the present condition of things. Society. & requested you to see what could be done to expose the current opposing in Cape Palmas informing you that no definite action had been yet taken upon the subject by the Board of Managers.

A meeting was held however on the 7th inst. well attended, & the annexed Resolutions passed. I am unable to suggest anything as to what you should letter. &c. but if time will permit I think you had better look over the accounts. & see what amount of State of any kind is on hand. There are many debts due the Agency. see if any thing can be realized therefrom. I presume not however. I refer you to my former letter of the 3d inst. of which I enclose a copy.

Very truly Yours
