Revd John Pratt
Boston —
Ch. Office

My dear Sir

You shall have your
of 18th inst in due. I have intended the
3 Bbls. Flour, 1 Barrel Meal — 8 Bbls of
Sy. Flour, 2 Medium Cooking Stoves and
will have the 500 lbs. Tobacco bale —
You say it makes little difference abt.
quality of Tob. bale & Mr Lewis that Tobacco cannot be bt.
in Balto. It is first matter to buy a Hhd. and then pay 8 cts per lb for packing
besides Tobacco has been cheap and
dearer — I will try and arrange for
some other party to take the remainder
Balto each Hhd. Contr. 12 to 1500 lbs —
You remark that a Boat is wanted &
to be similar to Mr Gillis — Mr paid
$130 each for Boats sent by us to Mr Gillis's
and Mr Lewis has only $50 to expend for
