Yours rec'd. We are fearful that the Ship will still Mr. 2d with some unexpected cause for delay arised — You can only have the patience to stay in this Charming place by limiting earlier than the time you name — Porter Steamer is due here at 8 am of Tuesday 26. She will go along side the Ship as she lays below this port & we hope all will be ready for her on said day

Many thanks for yr kind respects to Mrs R.
