My dear Sir

Your letter of inquiry about Barrels shipped by you for Lammott's line was yesterday rec'd. I have to beg you to excuse my not posting it reply yesterday. I had been waiting for all articles specified in yr. Bill to arrive. We cannot get fine Mahe receipts for all. I hoped that before the mail closed yesterday all would have been acknowledged to be on board but one Boat's freight has several times broken our Mahe receipts and still prevented it impossible to procure all & bring on board. Bill shows Receipts call for 10 Boxes - one was yr. Bill
