NEGROES WANTED.

THE highest cash prices will at all times be given for NEGROES of both sexes, that are slaves for life, and good titles. My office is in PRATT STREET, between Sharp and Howard sts., No. 86, where myself or my agent, Jonathan M. Wilson, can be seen at all times. All persons having Negroes to sell would do well to see me before they dispose of them, as I am now the largest dealer who is engaged in the trade, and always buying and shipping to the New Orleans market. I will also receive and keep Negroes at twenty-five cents each per day, and forward them to any Southern port at the request of the owner. My establishment is large, comfortable, airy and all above ground, and kept in complete order, with a large yard for exercise, and is the strongest and most splendid building of the kind in the United States.

COLLECTORS NOTICE.

I hereby notify all whom it may concern, that after the first day of January 1844, interest will be charged upon all accounts of county charge, direct tax, or officer's fees due for the year 1843. Persons having money by them would save the interest by promptly paying their accounts. I have heretofore urged upon the people the propriety and even necessity of an early settlement of their taxes. Upon this subject I have no discretion. The law has prescribed the days that I must settle with the Treasurer of Maryland, and if I fail to comply with the terms of the law, my bond may be put in suit. I regret very much that I have been disappointed in the effects of the different appeals I have made to the people upon this subject, and hope that they will no longer delay in calling promptly upon me, & settling their taxes. Such a course would afford me great satisfaction, and prevent a deal of trouble both to themselves & to me. Bear it always in mind that the taxes must be paid, and that if they are not paid voluntarily, the strong arm of the law will have to coerce payment.

WM. B. DAIL, Collector.
