My dear Sir

Please find enclosed Bills of Lading for 100 bbls. shipped by me on board the Thomas Kennard for Jno. Jones agent to Mr. Mesinger. There is a bill due at Jones which it is expected will commence on Monday in market.

When are you coming to Balto. to live, or. Do you go into Washington this Winter. How are the Colonies? I would like to see you all once more.

Yours truly J. W. Stockett
