Balto. Dec. 17th/58 —

Rev. Mr. McLain Pres. &c. &c.

My dear Sir. I have turned to & am looking through Ship Acts preparatory to rendering the Stores & have strayed thus which George sent you for a few days. Am in hopes to buy for first time with try & you get them early in the week — Mr. Chase will be your —

In looking over it occurred to me to allude to the Swiss Steer that I left with Dennis that you might pay him. Whether, if not accounted for — Wm. he became responsible for Old Gibbs passage money &c. for which Gibbs gave him a deed or Mortgage for a lot of land. Full Security, Dennis must account for the $35 — Please drop me a line saying if you have returned the copy transcript. If not, I will have them re-written & the Trustees fees all are entitled deducting — otherwise we shall have to add Gibbs deed as Expenditure $150 — which would look large — Yet, you say, have added all our profit to Ship & Pay for Gibbs — I find also an item of Mrs. 92 $ Ship Carriage in error. It was paid on act of our Shipment — The Letter to Gibbs gives credit as lost $50 in note given, which we will state not given note as Expenditure.

Another thing. The note given this Swiss Co. last year for $56 is due Sept. 13/16. Will you have this paid & returned in ack or note as it falls due before the Ann. Meeting, a few days —

P.S. If I do not call see have Charters passport if you will supply any other wrong. It shall be done —

P.S. 2 Mr. Williams calls the Trustees "Agents" is incorrect. Mr. Gibbs has not been of late years. Is it not simply Trustees?
