Balto. Dec 27 1858

Rev. Wm. McLain
Sec. Sec. M.S.C.S.

Sir

Enclosed is a Letter and Check which today should have been forwarded to the Secretary of the American Col. Soc'y — On think it may be more advisable for us to keep both as the Ship will sail so soon — may be forwarded in the Name which is better than to have it lay over for the Ship — If you agree with us please return the Check and receipt to us —

Very truly Yours
