Prof Mitchell

Dear Sir Enclosed please find receipts, as desired in yours of yesterday covering debt. I telegraphed you this morning for the Dec. '57 Acct of Repairs for on looking over our (Mitchell Co.) books I find the Acct. credited with $1812.50 in lieu of $1600. for the Repairs mentioned. The question is, were they included in your a/c rendered to us of $1600. or not, if so well – if not – ill – the Ship is overpaid – & I suppose just crediting the amount by our account –

Hope is your health well & I in turn wish you rigid health & nothing more

My truly yours Jonas Phillips
