Colonization Office,
Baltimore, March 10th, 1859.

Mrs E. H. King,
Jackson La.

Madam,

I this morning received a letter from the Revd R. R. Gurley of Washington, informing me that you wish'd to send some five persons to Liberia in the Ship M. C. Stevens, & requesting me to give you some information about sending them to this City. As Mr Gurley has written you, you had better send them to N. Orleans in charge of some white person, who can confer with Thos. Allen Clark Esq, & ship them in charge of some Captain of a sailing vessel (as there are no Steamers running between N.O. & Balto) who will see to their comfort, & on their arrival here, bring or send them to this office, 65 Second st. We will instruct your agent to write me by what vessel he sends them. They should leave N.O. rather before the 1st Apl than after the 10th, as it takes a vessel 18 to 20 days to make the passage. If they dont leave before the 10th, they will miss the Ship, which sails on the 1st May without fail.

Yours Respectfully
James Hall
