Revd R. R. Gurley
Cont. Sec.

My dear Sir. Your favour of my date making inquiries in regard to the Floyd family, was handed me. but he could give no information relative to them. By I may state that existing you only to this effect I call to mind that I have something of the Floyds for the Slave trade, referring to the Col. Journals of Apl. [57] I think the 5 Floyds came home with me in the Ship & I have received Cape Stands in this City. I believe the man (Floyd) that was that he left 2 children in Monrovia, he drew the usual bounties that went to return. & I believe other of that name by the E. Queen are or were then living at Cape Mt.
I believe the page or white is the one and of the Slavery proceedings.

Very truly Yrs Thos Hill

Rev Mr McGowan Secretary
