My dear Sir

Your letter of Feb. 17th. per Mr Thomas was rec.d a few days since, too late for me to hear from the Board previous to the sailing of the ship - I have honored written the Board and if he forwards any funds on your account will take pleasure in filling your order. I am glad to learn that your wife is well and yourself pleased with the country as I judge you must be by the tone of yr. letter. Mr M Lain is present and wishes to be remembered -

Very truly yours
