and kitchen furniture, together with corn & fodder and crop of small grain seeded on home arm. A credit of six months will be given, the purchasers giving notes with security approved of by Executor with interest from sale.

And in pursuance of authority vested in the undersigned by the last will and testament of said deceased duly executed and enrolled in the Register of Wills Office of said county, I will expose at public sale at the front door of the Court House in the town of Cambridge on

Monday the 7th of December

(if fair, if not, the next fair day) commencing at 12 o'clock A. M., all that valuable and desirable Real Estate of which the deceased died, seized and possessed, consisting of two fine FARMS beautifully located on the Great Choptank River, within three miles of the Metropolis of the county, on the mail-route between said Metropolis and the Eastern Shore of Va., and of Delaware. The home Farm is bounded by the Choptank and a fine Creek issuing out of same, which abounds with excellent fish, oysters, terrapins and wild fowl in their season, with an excellent spring of mineral water on the land. This farm contains

280 1-2 Acres of Land,

a fair proportion of which is in *TIMBER*, and has an excellent two story brick *DWELLING* thereon, with the necessary out-houses attached and beautifully located on said Creek opposite the residence of the Hon. Francis P. Phelps.

The other farm contains

266 3-4 acres of Land,

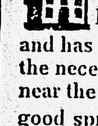

a fair proportion of which is in TIMBER, and adjoins the Home Farm and the Choptank and has a frame DWELLING thereon with the necessary out houses attached and located near the Choptank. This farm abounds with good springs of water. It is presumed that all persons desirous of purchasing will view for themselves these lands as they will have a fair opportunity of doing so on the 11th of November on the day of the sale of the persona effects or at any other time; Mr. William Billops, who resides on one of the farms or Elijah Hurst Esq., the decd's. brother who adjoins the land will show the same or answer any inquiries touching the same.

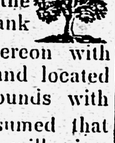

These lands are sold for distribution between the deceaseds several children, all of which are minors, therefore a long credit will be given if desired, provided the purchase money is made entirely secure to the entire satisfaction of the Trustee and the Orphan's Court and the interest paid annually and punctually—these are requisites that will be tenaciously adhered to,

$175 Reward.

WILL be paid for the apprehension of negroes WILLIAM and MARIA, who absconded on Saturday night last; if they be secured in Baltimore City Jail, or in the jail of this County. William belongs to the estate of the late Mrs.

Sophia Murray—is of a bright copper colour, good looking, about five feet eight inches high and about twenty six years of age. He took with him a variety of clothing. I do not recollect any peculiarity of person—he is said to have a swaggering walk. His wife Maria, who is the property of Mr. Sam'l Pattison (by whom I am authorized to offer a reward) is about thirty five years old, of copper colour, dark, and rather above the usual stature, erect in person and of good appearance—her clothing various. The reward of $100 will be paid for William and $75 for Maria, if taken out of the county; and $50 for either if taken in the county and secured as above.

We have just returned from the City of Baltimore, with a good assortment of DRY GOODS, GROCERIES & CONFECTIONARIES, which we offer for sale on as moderate terms as they can be purchased in the place. We particularly invite all that need such articles to give us a call before purchasing elsewhere, as we feel assured that it will be to their advantage so to do. Notice.

THE public are notified that the undersigned hath presented to the Board of Commissioners for Dorchester County a list of lands, whereon no personal property can be found liable for the payment of the County charges due me thereon, and whereas by an Act of the last Legislature of Maryland Chapter 133, the laws in regard to the sales of such lands by Collectors have been materially altered & amended and whereas many of those lands have chanted owners since those charges have become due. In consequence of which it is desirable that land holders generally would examine carefully the advertisement; as some of their lands may be exposed to sale for charges due under former owners; and tax payers generally are interasted in making the lands sell, as all deficiences will have to come against the County as insolvent and will if large swell the county levy beyond the usual amount,

FOR

CONSUMPTION.

THE best medicine known to man for incipient Consumption, Asthma of every stage, Liver Complaints, side, oretis, Influenza, Coughs, Colds, Bleeding at the Shortness of Breath, pain and weakness in the ast, &c. and all other diseases of the

PULMONARY ORGANS.

A very important disease over which this "*Balsam*" exerts a very powerful influence, is that of a "DISEASED LIVER." In this complaint it has undoubtedly proved more efficacious than any remedy hitherto employed, and in numerous instances when patients had endured long severe suffering from the disease, without receiving the least benefit from various remedies, and even when MERCURY has been resorted to in vain, the use of this BALSAM has restored the LIVER to a healthy action, and in many instances effected permanent cures after every known remedy had failed to produce this disired effect.

Besides its astonishing efficacy in the diseases above mentioned, we also find it a very effectual remedy in ASTHMA, a complaint in which it has been extensively used with decided success even in cases of years standing.

NATURE'S OWN PRESCRIPTION

A compound Balsamic preparation of the Prunus Virginia, or "Wild Cherry Bark," combined with the Extract of Tar, prepared by a new chemical process, approved and racommended by the most distinguished physicians, and universally acknowledged the most valuable medicine ever discovered

The universal celebrity which this medicine is rapidly gaining in every section of the country, and the many astonishing cures it has effected, have now established its efficacy beyond all doubt, but it should be remembered, that in diseases of the LUNGS or LIVER, as in all other chronic affections, a little time is always necessary to effect a cure. Although in most cases the Balsam will afford a most immediate relief, and often effect great changes in a few days, it cannot reasonably be expected to produce the same salutary effect in every case in so short a time; yet, from the high celebrity it has acquired, we find many persons are apt to expect too much at the commencement, while others expect a *Single Bottle* to afford them greater relief than all the medicine they had taken for months previous.

We will not assert that this BALSAM will cure consumption in its *worst form*, but it has cured many after all other means of relief had been tried in vain. And why not? It seems that the WILD CHERRY was destined by Nature to be our PANACEA for the ravaging diseases of this latitude. Let not the despairing invalid waste his money and lose time, to him so all important, in *experimenting* with the trashy nostrums of the day, but use *at once* a medicine that will cure, if a cure be possible—a medicine that serence abroves, and many years of experience have demonstrated that it *always* relieves. "There is no such thing as fail" in the history of this wonderful Balsam. Evidence the most convincing—evidence that no one *can* doubt, fully establishes this fact.

SYMPTOMS OF A DISEASED LIVER—General loss of appetite; sickness of the stomach; pains in the head, sholders, back and sides; sense of weirness, with sleep less nights; costiveness of bowels, followed in some cases by looseness; slight, dry cough; low spirits, with disinclination to every duty are prominent symptoms of a diseased state of the liver. For the cure of Coughs, Colds, Hoarseness, Influenza Tickling Sensation of the Throat, Whooping Cough, &c. &c.

Pronounced to be the pleasantest and most efficacious remedy now in use.

Most of the mixtures sold for coughs are composed of spirituous and inflammatory articles, which, while they give a little relief really do harm. The Imperial Cough Syrup contains no spirituous ingredient what ever, & may be used in all cases not requiring active medical treatment. The Imperial Cough Syrup has been used for the last six years by the most respectable inhabitants of Pittsburgh and vicinity.

SELLERS' VERMIFUGE.

Warranted equal to any now before the public!! No family ought or will be without it after a trial.

WORMS frequently infest children, aggravate all other diseases, and are capable of producing great disturbances in the system, and consequently all medicines given to remove them should be prepared with great care and of the best marerials; and it is to be feared that many of the worm medicines in use are totally destitute of these qualities. The Vermifuge which the subscriber now offers to the public, is prepared of the best materials that can be procured; and it is gaining for itself a reputation which entitles it to a large share of public patronage. The efficacy of this preparation to relieve the rising generations from one of its greatest enemies is fully attested by the accompanying Certificates in another column

"I hereby certify, that several persons under Medical Treatment for INTERMITTENT FEVER, (or FEVER & AGUE) within my observation and direction have been cured by the use of "ROWAND'S IMPROVED TONIC MIXTURE, *after every preparation of Peruvian Bark, (Quinine)* &c. & *had been tried in vain !!*

EATHANIEL P. CAUSIN, M. D.,
Washington City, District Columbia.

THOUSANDS of like certificates have from time to time been published.

1,500,000 *cases of Fever & Ague! have been cured by* ROWAND'S 'IMPROVED' TONIC MIXTURE!!

WITHIN FIFTEEN YEARS!!!

However starting this statement may at first appear yet the FACT may be demonstrated by *the single rule of three*, for we estimate by reference to the "Manufactory Book" that FIVE HUNDRED THOUSAND BOTTLES have been made and distributed over the country during that period!!

Well, it is well known to the Agents, especially the Western States; that *whole families of 5 or persons* have been cured by *one single bottle!* In a majority of instances *one bottle* has cured 1, 2, 3 and persons. The average here would give THREE cases to every bottle! amounting to the *astounding number* of 1,500,000 cases of this *"hated complaint"* cured by this *inestimable remedy!!!!!*

Now, "common sense" dictates the propriety of *resorting at once* to this *old favorite well tried and sterling remedy*, and of avoiding all *vulgar* and *indignified* tonic *mixtures*, which are mere counterfeit imitations of this original medicine.

The Agents are fully authorised to return the money paid whenever it chances to fail!
