Mrs M. G. A. Krig
Lockport La.

Dear Madam. I enclose you a bill of clothing which I paid for your people. The circumstances of the case are as follows. You perhaps remember that their baggage did not get here for some time after the people did. Our agent the Revd Mr Chapscombe requested me to see that they required changes of clothing. &c. I directed him to get what they absolutely needed till their baggage came on. I knew no more of it till the enclosed bill was presented to me for payment. It was much larger than I expected. but the people said they actually needed what they got.

You left to pay their board & passage	65.00
but paid out for their changes.	62.75
leaving a bal over of	2.25
which I now enclose bill enclosed 41.98 leaves	$39.73

to be paid by you or lost by us — please write me on

Very respectfully Yours Thomas Ellis. Agt
