Dear Sir
Your favor of 10th inst. with enclosure of $18.00 came to hand this morning & contents noted. We think it best you should write to the Cyprus Agent at Piedmont giving him your directions where to send the box. You do not say whether the box is at Piedmont, Fauquier Co or at Piedmont, Hampshire Co, but we think it is at the former.
Enclosed we hand you the bill receipted.

Yrs Respectfully

May 16th Sir. You mean that Nothing from the other Early brought on her people. Well, if should this baggage come by those other vessels for long time after. Between the people wanting daily thinking a change till those baggage come, then it appears they had little to change with, & Another Shipmate & chance procured receipts of Hunt & Mother Other Counterfeit & deceit. to the tune of $18 Dollars Gold &c. The first purchase to answer for a change was back 1788. Have do you know any thing about this. or will you pay the Shot. It is none on us. We the first the bill cutting special orders. I yesterday wrote to Nothing. but do not think she is able to forth. from which the third time.
