Dear Sir Will you favor me & my friend Mr Wilkins Crane by ascertaining whether Mr L. M. Ewing is a member of the Baptist church & etc. and also give me your opinion of the young man in regard to his fitness to act as Sec. agt & Missionary for the Southern B. Board of Missions. My father self think him an honest man. Will you also have the goodness to ascertain if Mr L. expects to make Missions his permanent business? It is not desirable at present that Mr Ewing should know of these enquiries. He felt whispers of his honesty but feared sacrifice in ignorance of his religious views.

Respectfully yours
G. W. Dwell
