THE public are notified that the undersigned hath presented to the Board of Commissioners for Dorchester County a list of lands, whereon no personal property can be found liable for the payment of the County charges due me thereon, and whereas by an Act of the last Legislature of Maryland Chapter 133, the laws in regard to the sales of such lands by Collectors have been materially altered & amended and whereas many of those lands have chanted owners since those charges have become due. In consequence of which it is desirable that land holders generally would examine carefully the advertisement; as some of their lands may be exposed to sale for charges due under former owners; and tax payers generally are interasted in making the lands sell, as all deficiences will have to come against the County as insolvent and will if large swell the county levy beyond the usual amount.

FOR

CONSUMPTION,

THE best medicine known to man for incipient Consumption, Asthma of every stage, Liver Complaints, side, uretis, Influenza, Coughs, Colds, Bleeding at the Shortness of Breath, pain and weakness in the ast, &c. and all other diseases of the

PULMONARY ORGANS.

A very important disease over which this *"Balsam"* exerts a very powerful influence, is that of a "DISEASED LIVER." In this complaint it has undoubtedly proved more efficacious than any remedy hitherto employed, and in numerous instances when patients had endured long severe suffering from the disease, without receiving the least benefit from various remedies, and even when MERCURY has been resorted to in vain, the use of this BALSAM has restored the LIVER to a healthy action, and in many instances effected permanent cures after every known remedy had failed to produce this disired effect.

Besides its astonishing efficacy in the diseases above mentioned, we also find it a very effectual remedy in ASTHMA, a complaint in which it has been extensively used with decided success even in cases of years standing.

NATURE'S OWN PRESCRIPTION

A compound Balsamic preparation of the Prunus Virginia, or "Wild Cherry Bark," combined with the Extract of Tar, prepared by a new chemical process. approved and racommended by the most distinguished physicians, and universally acknowledged the most valuable medicine ever discovered

The universal celebrity which this medicine is rapidly gaining in every section of the country, and the many astonishing cures it has effected, have now established its efficacy beyond all doubt, but it should be remembered, that in diseases of the LUNGS or LIVER, as in all other chronic affections, a little time is always necessary to effect a cure. Although in most cases the Balsam will afford a most immediate relief, and often effect great changes in a few days, it cannot reasonably be expected to produce the same salutary effect in every case in so short a time; yet, from the high celebrity it has acquired, we find many persons are apt to expect too much at the commencement. while others expect a *Single Bottle* to afford them greater relief than all the medicine they had taken for months previous.

We will not assert that this BALSAM will cure consumption in its *worst form*, but it has cured many after all other means of relief had been tried in vain. And why not? It seems that the WILD CHERRY was destined by Nature to be our PANACEA for the ravaging diseases of this latitude. Let not the despairing invalid waste his money and lose time, to him so all important, in *experimenting* with the trashy nostrums of the day, but use *at once* a medicine that will cure, if a cure be possible—a medicine that serence aboves, and many years of experience have demonstrated that it *always* relieves. "There is no such thing as fail" in the history of this wonderful Balsam. Evidence the most convincing—evidence that no one *can* doubt, fully establishes this fact.

In presenting this highly useful and valuable medicine to public notice as a remedy for *Consumption* and *Pulmonary* diseases in general, the proprietor has been actuated solely by the great success attending its use in his practice and a desire to benefit the afflicted, and would therefore wish particularly to impress upon the public mind that it is entirely different from the *nostrums* daily ushered into notice by *boasting quacks*, as it not only emanates from a regular *Physician* but has also been well tested in all the complaints for which it is recommended. It is not my intention, therefore, either to cloak it in mystery or in any way deceive the public by overrating its virtues; on the contrary, I shall simply endeavor to give a brief statement of its usefulness, and flatter myself that its surprising efficacy will enable me to furnish such proofs of its virtues as will satisfy the most incredulous that CONSUMPTION may and "CAN BE CURED," if this medicine be resorted to in time.

NO QUACKERY! NO DECEPTION!

All published statements of cures performed by this medicine, are, in every respect TRUE.

☞ *BEWARE OF COUNTERFEITS AND MITTIONS.*—The unparalleled and astonishing efficacy of Dr. Wistar's Balsam of Wild Cherry in all the diseases for which it is recommended—curing many cases after the skill of the best physicians was unavailing—has effected a large and increasing demand for it. This fact has caused several unprincipled counterfeiters and imitators to palm off spurious mixtures, of similar name and appearance, for the genuine Balsam.

Be careful and get the genuine DR. WISTER'S BALSAM OF WILLO CHERRY. None genuine unless signed by I. BUTTS. Address all orders to SETH W FOWLE, Boston, Mass.

"THE BANE and the ANTIDOTE."

"I hereby certify, that several persons under Medical Treatment for INTERMITTENT FEVER, (or FEVER & AGUE) within my observation and direction have been cured by the use of "ROWAND'S IMPROVED TONIC MIXTURE. *after every preparation of Peruvian Bark, (Quinine) &c. & had been tried in vain !!*

EATHANIEL P. CAUSIN, M. D., Washington City, District Columbia.

THOUSANDS of like certificates have from time to time been published.

1,500,000 *cases of Fever & Ague! have been cured by* ROWAND'S 'IMPROVED' TONIC MIXTURE!! WITHIN FIFTEEN YEARS!!!

However starting this statement may at first appear yet the FACT may be demonstrated by *the single rule of three*, for we estimate by reference to the "Manufactory Book" that FIVE HUNDRED THOUSAND BOTTLES have been made and distributed over the country during that period !!

Well, it is well known to the Agents, especially the Western States; that *whole families of 5 or persons* have been cured by *one single bottle!* In a majority of instances *one bottle* has cured 1, 2, 3 and persons The average here would give THREE cases to every bottle! amounting to the *astounding number of* 1,500.000 cases of this *"hated complaint"* cured by this *inestimable remedy*!!!!!

Now, "common sense" dictates the propriety of *resorting at once* to this *old favorite well tried and never ling remedy*. and of avoiding all *vulgar* and *insignificant tonic mixtures*, which are mere counterfeit imitations of this original medicine,
