Baltimore, June 15th 1857

F. W. D. Kennedy Esq
Hagerstown. Washington Co. Tenn.

My dear Sir. It is true our good Ship was out of time, but she arrived in port on the 1st day of May, having Mrs Moore on board as a passenger. She stopped in town but a few days to my knowledge, & where she went I cannot tell, or whether she has yet left the city I do not know. I would go & enquire if I knew where she stopped while she was here.
I was disappointed that she did not come to the office more than she did.
If I hear more of her I will write you —

Very respectfully Yours
