"SUGAR COATED" PILLS,

BEWARE! CAUTION !!

The increasing popularity of Dr. G. Benj. Smith's Improved Indian Vegetable Sugar Coated Pills, has induced a number of persons to make something they call pills, and coat them with sugar, in order to sell them for the genuine, while they do not possess a particle of the goodness, nor even assimilate in appearance the original, Dr. Smith's Pills. In short, they are an intended fraud upon the community. A minister who at first had an interest in an imitation Sugar Coated Pill, manufactured at Albany, N. Y. has given them up, as he says, on account of the miserable dishonest parties concerned in manfacturing them. The same party are now industriously circulating reports calculated to injure Dr. Smith and to affect the reputation of his valuable pills; but rather than notice them in public, Dr. Smith is about to institute legal proceedings against them for their slanders, as he has in another case against a similar party, in which he recovered a large amount of damages. These miserable imitators have to resort to the most abominable means to palm off their counterfeit pills as the public know that Dr. Smith's are the original and genuine. Several instances have come to public notice in which life has been endangered by the unfortunate use of the counterfeits.

REMARKABLE CURE OF COLD.

New York, March 2, 1846.

I very imprudently went out last week with a pair of shoes on, having sent my boots to the boot-maker for repair, and I took a very severe cold, which settled in my limbs, stiffened my neck, and rendered me wholly incapable of attending to business. On the following night I took six of Dr. Smith's Indian Vegetable Sugar Coated Pills, which entirely relieved me, and the next day I felt as well as usual.

I know they are the best medicine that can be used for colds.

JOHN ADAM,

COMPLICATED DISEASE CURED.

[From the Rev John Kellett.]

Brooklyn, 127 Myrtle St. Oct 1, 1846.

Dr. Smith—Sir, It is with great satisfaction I acknowledge the benefit my wife has received from the use of a few boxes of your pills which she used at the recommendation of a friend. Having fallen into bad health early in winter, she used them with perfect safety, even in that cold season. She has at times, used Morrison's Moffat's and others, and she states she has received more benefit from them than all the others. She believes they may be used with perfect safety by females, without changing either their employment or diet, and that at any season of the year.

Yours respectfully, JOHN KELLETT,
Wesleyan Methodist Minister.

A new weekly paper, devoted to Polite Literature, Foreign and Domestic News, Science and the arts, Critical Essays, Philosophy, Satire and Humor.

THOMAS R. WHITNEY. Editor.

One dollar per annum payable in advance.

The undersigned has the pleasure to announce that he will issue on Sunday, the 6th of December next, a new Weekly Paper, to be called the SUNDAY EXTRA. The principal aim of the editor will be to make the "Sunday Extra" a complete mirror of the times, in which will be faithfully reflected, in an interesting and condensed form, the News of the Week, Cream of New Works, Tales of Fiction, Fact and Romance, original and selected, Gems of Poetry & Prose, Fetters on Science and Art, Keviews, satire, Wit, the Stage, &c., &c.,—in short to make it an acceptable Fireside Journal, complete in all its parts, and unexceptionable in point of morals. The "Extra will maintain a high tone in all its departments; and whilst eschewing politics, as such, reserve to itself the right freely and candidly to discuss all questions of acknowledged public interest and importance. A number of correspondents of known and approved talent, resident in different parts of the Union, have been secured, who will contribute their best efforts to the "Extra;" the aid, also, of an eminent Foreign Correspondent will add a valuable feature to its columns. The several departments of Literature, Science, and the Arts will be placed under the charge of experienced writers, and the editor will spare no exertions to make the "Extra" a complete Paper, while he confidently expects, as he intends to merit, the substantial endorsement of the public to his exertions.

The Vermifuge which the subscriber now offers to the public, is prepared of the best materials that can be procured; and it is gaining for itself a reputation which entitles it to a large share of dubbic patronage. FOR

CONSUMPTION.

THE best medicine known to man for incipient Consumption, Asthma of every stage, Liver Complaints, side, or etis, Influenza, Coughs, Colds, Bleeding at the Shortness of Breath, pain and weakness in the ast, &c. and all other diseases of the

PULMONARY ORGANS.

A very important disease over which this *"Balsam"* exerts a very powerful influence, is that of a "DISEASED LIVER." In this complaint it has undoubtedly proved more efficacious than any remedy hitherto employed, and in numerous instances when patients had endured long severe suffering from the disease, without receiving the least benefit from various remedies, and even when MERCURY has been resorted to in vain, the use of this BALSAM has restored the LIVER to a healthy action, and in many instances effected permanent cures after every known remedy had failed to produce this disired effect.

Besides its astonishing efficacy in the diseases above mentioned, we also find it a very effectual remedy in ASTHMA, a complaint in which it has been extensively used with decided success even in cases of years standing.

NATURE'S OWN PRESCRIPTION

A compound Balsamic preparation of the Prunus Virginia, or "Wild Cherry Bark," combined with the Extract of Tar, prepared by a new chemical process. approved and racommended by the most distinguished physicians, and universally acknowledged the most valuable medicine ever discovered

The universal celebrity which this medicine is rapidly gaining in every section of the country, and the many astonishing cures it has effected, have now established its efficacy beyond all doubt, but it should be remembered, that in diseases of the LUNGS or LIVER, as in all other chronic affections, a little time is always necessary to effect a cure. Although in most cases the Balsam will afford a most immediate relief, and often effect great changes in a few days, it cannot reasonably be expected to produce the same salutary effect in every case in so short a time; yet, from the high celebrity it has acqurired, we find many persons are apt to expect too much at the commencement. while others expect a *Single Bottle* to afford them greater relief than all the medicine they had taken for months previous.

We will not assert that this BALSAM will cure consumption in its *worst form*, but it has cured many after all other means of relief had been tried in vain. And why not? It seems that the WILD CHERRY was destined by Nature to be our PANACEA for the ravaging diseases of this latitude. Let not the despairing invalid waste his money and lose time, to him so all important, in *experimenting* with the trashy nostrums of the day, but use *at once* a medicine that will cure, if a cure be possible—a medicine that serence approves, and many years of experience have demonstrated that it *always* relieves. "There is no such thing as fail" in the history of this wonderful Balsam. Evidence the most convincing—evidence that no one *can* doubt, fully establishes this fact.

In presenting this highly useful and valuable medicine to public notice as a remedy for *Consumption* and *Pulmonary* diseases in general, the proprietor has been actuated solely by the great success attending its use in his practice and a desire to benefit the afflicted, and would therefore wish particularly to impress upon the public mind that it is entirely different from the *nostrums* daily ushered into notice by *boasting quacks*, as it not only emanates from a regular *Physician*, but has also been well tested in all the complaints for which it is recommended. It is not my intention, therefore, either to cloak it in mystery or in any way deceive the public by overrating its virtues; on the contrary, I shall simply endeavor to give a brief statement of its usefulness, and flatter myself that its surprising efficacy will enable me to furnish such proofs of its virtues as will satisfy the most incredulous that CONSUMPTION may and "CAN BE CURED," if this medicine be resorted to in time.

NO QUACKERY! NO DECEPTION!

All published statements of cures performed by his medicine, are, in every respect TRUE.

☞ *BEWARE OF COUNTERFEITS AND IMITATIONS*:—The unparalleled and astonishing efficacy of Dr. Wistar's Balsam of Wild Cherry in all the diseases for which it is recommended —curing many cases after the skill of the best physicians was unavailing—has effected a large and increasing demand for it. This fact has caused several unprincipled counterfeiters and imitators to palm off spurious mixtures, of similar name and appearance, for the genuine Balsam

Be careful and get the genuine DR. WISTE'S BALSAM OF WILLO CHERRY. None genne unless signed by I. BUTTS. Address all orders to SETH W FOWLE, Boston, Mass.

WE are authorised to announce BARZILLIA SLACUM, Esq. as a candidate for the next Sheriffalty of Dorchester County.
