Baltimore Dec 4th 1860

Dear Sir

By all means avoid
use the Removal Liberty law of
Virginia. I am happy to find
that there is such a thing.
I read Mr. Phillips denunciation
of Sunshine as possible law in the
Baltimore Sun & thought it
the weakest thing (perhaps the only
stupid thing) I ever saw from
him. Sumner is quite as much
disliked at the South as he: You
are aware that he is wrong whose
South demanded for that last speech
on the Barbarism of Slavery - Yet
for speaches more truthful were
never made - It may have been
ill timed! -

Very truly your's
G. M. S. Weld
