Dear Father:

The Benson will be offered at auction on the 15th inst. & I have going to Norfolk this coming to see the Steam Rising - which is to be sold on the 15th inst. for Spice -

I doubt if she will suit or if I can purchase her for less than the Benson sells for -

I have no news to relate - Sent you by yesterday mail the President's Message and other things - herewith, under a package of Letters.

If I return from Norfolk in time will write by Mr of 8th inst.
