Charles Howard Esqr
of the Board of Directors. State Colonization Society

Present

Charles Howard Esqr
Present
Sir

Agreeably to the promise contained in your note on behalf of the "Board of State Colonization Society" to pay at the rate of $20 each for the passage of Mr. Grice & J. A Chambers. from here to Port au Prince. - I furnished them a passage for that Port in the Schooner Rosemonde which vessel got to Sea on the 25th July.

The Bill against your Society amounting to $40. has been handed in some time ago & my young man has repeatedly called for payment but has not been able to get it. Would you have the goodness to attend to this matter & see that the young gentleman in your office gets authority to settle it when again sent for. -

Very Respectfully
Your Obt Servt
