Norfolk, October 4, 1832.

Gentlemen,

Enclosed is a bill manuscripting the bag which you have been kind enough to receive, as a donation to the Maryland Funds. Provision permitting we shall take passage in the Ship Sukitan which is expected to touch at Norfolk about the 18th instant on her way to Liberia.

Should the bill not be legal without being acknowledged by the Court, it can be done at home. The Court is not open in session and will not be before I have, or I think can do it.

Thanking you for your kindness,

I am, your obliged servant,

Messrs Stafford, Howard & Barber. Melrich B. Cox.
