the services of Mr McKenney, or an agent of the Board, for three or four weeks, during this fall or winter, the work will be done in this County, we shall have no further trouble. It is desirable to have him, before they set, for under ~~any~~ with this next year business. I think there will be a number of Slaves, ready to go the next year. Several Gentlemen are willing to give them up, if they will consent to go. The little books which you have published. The Statement of facts and News from Africa, I think will be very useful to circulate amongst our free people. I have taken particular care to distribute those which you have sent to my parish, perhaps designed for this place had better be left with Mr Huber & Smith. I have made this communication, at the request of our Society in the Institutions, have not been punctual in doing their duty.

Yours respectfully
