Princess Anne, Md. Nov. 9, 1832.

Gentlemen -

I have to report the application for passage to Liberia of 19 persons of color since the Rev. W. McKenney left this place - Nearly half of this number have been manumitted for the purpose of embracing the approaching opportunity of going to that country. I have written to the same effect to Rev. Mr. McKenney, addressing my letter to Cambridge, but he may not receive that. The emigrants will be at White-Haven on the 20th, agreeably to Mr. McK's request.

Respectfully

T. P. Zieber,

Sec. Somerset Cy. C.S.
