ensure his election. The meeting having been in session until late in the afternoon, a motion was made and carried, to adjourn until the following day, (Wednesday) at 3 o'clock; and upon the re-assembling of the meeting a large and enthusiastic crowd was in attendance, which was eloquently addressed by Capt. Wm. Frazier, and Thomas R. Stewart Esq., of Caroline county,—the last gentleman having been called on, warmly responded to the invitation. The original report of the Committee having been modified in one of their resolutions, their report was *unanimously* adopted, and perfect harmony and concert on the part of the friends of General Taylor fully secured. The said report, as finally and unanimously adopted, is embraced in the foregoing preamble and resolutions.

In pursuance of one of the resolutions, the President appointed the following gentlemen delegates to the State Taylor Convention, to assemble in Baltimore on Wednesday the 26th day of April, instant, with power, in case any one cannot attend himself, to appoint a substitute in his place, to wit:—Joseph E. Muse, Charles Breerwood, Capt. William Frazier, Wm. H. Allen, Jeremiah L. Pattison, John S. B. Woolford, Samuel Pattison, James B. Chaplain, Dr. B. B. Harrison, Charles Seward, Wm. E. Harrison, Thos. H. Hurley, William L. Drura, Noah J. Foxwell, Elijah Tall.

On motion, it was ordered that these proceedings be published.

On motion the meeting adjourned *sine die*.

Wm. H. Allen, &c., Secretaries.

A CARD.

The undersigned having been appointed, at the Taylor meeting in Dorchester county, delegates to represent, in part, the friends of General Zachary Taylor in said county at the State Taylor convention to be held in Baltimore city, for the adoption of measures to secure his election to the Presidency, consented to serve as delegates with the avowed opinion that, in our judgement, the surest and only means that *can* or *should* be adopted by said convention to secure so desirable an object, will be to take such action as may be best calculated to procure his nomination by the Whig National convention to meet at Philadelphia on the 7th day of June next to nominate candidates for President and Vice President of the United States, the nominees of which National convention we pledge ourselves to support with all our energy and by every honorable means. We believe that the nomination of a Taylor electoral ticket distinct from that which will be nominated in accordance with the recommendation of the Whig members of the Legislature of Maryland, will prove disastrous to *both* electoral tickets and insure the electoral vote of the State to the nominee of the Democratic convention. That our position may not be misunderstood, we think it due to ourselves to make this statement.

The newspapers that publish the proceedings of the Dorchester Taylor meeting are respectfully requested to insert this card.
