Office of the Md. State Col. Society
Baltimore December 16. 1833

Dear Sir

An adjourned meeting of the Md. State Colonization Society will be held in the City of Annapolis on the ~~day~~ day of January ensuing – the particular day will be designated by the Society at their annual meeting which will take place in this City on the 24th. inst.

The object of holding an adjourned meeting in the City of Annapolis is to give the immediate Representatives of the people an opportunity to understand the subject of Colonization more fully, both as it regards the important ends proposed to be accomplished by it, and the ways & the means necessary to effect them.

As very important documents will be submitted to the meeting shewing the course of action pursued by the Board of Managers during the past year, and their contemplated plans of operation for the ensuing year, it is deemed by the Board of great importance that every auxiliary Society in the State should be fully represented on that occasion – I therefore under a Resolution of the Board of the 7th. inst have the honor to request that you will be pleased to have a called meeting of your Board for the purpose of electing not less than 2 nor more than four delegates, and very respectfully suggest that it might promote the interest and objects of the Society if your Board should deem it best to select their Delegates from your representatives in the General Assembly.

You will please furnish this Office with the names of such gentlemen as may be selected

Very Respectfully
Your Obed. Serv.
N. McKenney
