Md State Colonization Office

Baltimore, March 10. 1833

Revd & Dear Sir,

Brother John Davis will place in your hands a package containing fifty copies of an "act of Incorporation & Bye Laws of the Md State Colonization Society" together with the act of the General Assembly of Maryland relating to the people of color &c. - to which are added the Constitution & ordinances of Maryland in Liberia" -

The inclosed circular explains my object in presenting these papers, & the others named in the circular address, to the Baltimore annual Conference - And I will add, it is with no small degree of confidence that I look to the Conference for such action on the important subject, referred to them, as will be greatly instrumental in promoting the beneficent purposes of the Md State Colonization Society. -

with esteem & Respect
Your Revd & Dear Sir
