My Dear Sir,

The enclosed letter was handed to me by Mr. Richardson on Wednesday last 29. — His letter to Mr. Shotwell was dated Philadelphia the 24th — We are without a line from him, supposing it possible that he may be in Boston, I have taken the liberty to trouble you with this communication. — If he is not there, you can, if you deem it at all important to ~~the~~ his comfort & the wishes & views of your Board communicate with him on the subject of receiving this letter.

Our Ladyship could be detained until the 25th for his accommodation — The Ship has now on board a number of passengers, & we have every reason to believe is delightfully arranged for the accommodation of passengers. —

Please let us hear from you as soon as possible. —

With great esteem
Your Ob't Serv't
W. McLaurin
