Sundry small charges	"	50.00	Cash
Pilotage down	"	25.00	Cash
		$950.00	

Dimensions of such a vessel as above specified

Length — 90 feet
Breadth — 22 "
Depth — 12 " or 10 feet
Roof Deck 18 feet long which will give
6 State rooms —, each state
room to contain 2 berths

In building with the roof deck, you will have comfortable cabin accommodations, with water closets if required, & stern windows — & still have a clipping vessel —

Forward of the cabin doors have a trunk 18 feet long, which will occupy all the room to the mainmast — Under this trunk will be room for the steerage passengers; say 18 double berths & twelve single berths: sufficient room for 48 passengers — Under the steerage floor, all the water can be stowed — over the steerage floor & under the cabin floor will give sufficient room for the baggage of the Emigrants, so that they will not be crowded — The room in the steerage will
