To the
Board of Managers of the Maryld St Col Soc
Gentlemen.

Nothing of importance has occurred since the last Meeting of the Board. Every effort has been used to fix the time and place, and obtain suitable speakers for the annual Meeting. I am happy to state, Messrs Francis S Key and Z Collins Lee, have consented to be present and address the Meeting; and Wednesday evening next, at half past Seven Oclock, is fixed on as the time for holding the anniversary. Much difficulty has existed in regard to a suitable place. The choice now lies between Mr Hanner's church in Hanover St, the first Baptist church, in Sharp St, & the Concert-Room, Corner Holliday and Fayette Sts, and will be decided on Friday or Saturday.

Since the last meeting of the Board I have spent one very fine day in trying to collect some of the subscriptions obtained in the early part of the winter; but found it impracticable to succeed in collecting even a five dollar note.

During the last month, there have been paid, by the Treasurer, about $2.239.66: and for the current month there are due $3.156.60 for, making $6.396.26 for in two months. It is perhaps proper to observe that nearly 2,000 due Dock Hall for taking out Emigrants is embraced in this amount.

I herewith present several letters as the result of my Correspondence during the past month.
