| 146 | It appears upon examination, that Mrs. E. A. Tubman's account has wrongly been charged with the expense of a colonist named Demba Cummings belonging, before he was liberated, to the Rev. Samuel Davis of Savannah, Geo. This mistake arose from the fact of Demba's going to the Colony in company with Mrs Tubman's people and adopting the name of Tubman in common with her emigrants. | | 136 05 |
