Graham for 1848.

THE MOST POPULAR MONTHLY IN THE WORLD.

The Leading Writers all in "Graham"

William C. Bryant, J. Fennimore Cooper, William Henry Herbert, Theodore S. Fay, W. Gilmore Simms, Fanny Forester, Mrs. A. M. F. Annan, Mrs. Amelia B. Welby, N. P. Willis, Professor Longfellow, J. K. Paulding, Charles J. Hoffman, Edgar A. Poe, E. P. Whipple, Mrs Stephens, Mrs. Sigourney.

"GRAHAM" is now universally acknowledged to surpass, in the excellence and variety of its contents, and the styles of its execution, any periodical ever published in America, and it is questionable whether any magazine in the world—not excepting even Blackwood's—ever presented an array of contributors of equal reputation. Its circulation is about one-third larger than that of any other monthly in the English language.

We have resolved as far as "Graham" is concerned, to give a proper direction to the popular taste; and propose, in the coming volume, greatly to amplify the literary department of the work—to engage none but the very best writers—to open a field for young writers of merit—and, in fine, to cultivate a National Periodical Literature, which shall command respect at home and abroad.

While all other monthly periodicals are crumbling to decay, and resorting to every expedient to save themselves from destruction, 'Graham' pursues the even tenor of its way, proudly at the head of the periodical literature of the day—with its 50,000 readers, gradually widening its influence, and extending its circulation. The polich adopted in this Magazine, of giving the best both in Literature and Art, has established it upon sure basis of public confidence.

ELEGANT PARIS FASHIONS IN EVERY NUMBER.

"Graham" for 1848 will be beyond all doubt so far superior to the class of small magazines which attempt to imitate it, that in every post town it will utterly route them out. For why should any man or woman pay money for a second rate article, when the best is offered at the same price.—Reader think for yourself, examine and subscribe for the best Periodical and do not be deluded by the stale and never redeemed promises of those whose words are as worthless as their wares. It is fact that for the last seven years, promises have been made of excelling 'GRAHAM,' by every petty pretender, yet the Magaze still maintains triumphantly the ascendant.

We promise our readers in January such a number as shall puke "the ineffectual fires" of our imitators, who seize a good idea which we execute, and make it common by the baseness of the copy.

PORTRAITS OF ARMY HEROES.

We have already given our readers a magnificent likeness of General Taylor, and have now execute d a magnificent Likeness of Gen. BUTLER, and shall follow rapidly with portraits of all the leading men who have distinguished themselves in the present war. This series of portraits will be prized by every patriot.

We design to commence in the January number, in addation to New Novels by Fay and Willis, a most beautiful Sea Story, which has been highly praised by the best judges, and has only been withheld from our readers in the last volume as we had already running through the Magazine the Novel by Cooper. For the New Year, we have made the most liberal arrangements in regard to the work, with the determinction to make

A GREAT NATIONAL MAGAZINE,

contributed to by the highest talent in the country—free from all cliques and sectional differences, and relying on the merits of its Literary Matter, and the excellence of the illustrations, for a still wider support. The volume to be opened with a new and beautiful type, the finest white paper; and with a series of Mezzotints, unsurpassed by any which have yet appeared in any Magazine.

OUR MEZZOTINT ENGRAVINGS.

It affords us much satisfaction to be able to state, that we have made arrangements with Sartin, the accomplished mezzotint engraver, whose plates have contributed so much to the beauty of the Magazine heretofore, by which we secure his splendid Mezzotints for this work alone. His beautiful engravings will therefore form a feature of Graham's Magazine, so that we shall be able to distince any thing like competition on this ground.

OUR BEAUTIFUL FASHION PLATES.

These exquisite creations of taste and skill we have engaged exclusively, from the publisher of "Le Follet," and all other efforts to get them have failed. An attempt has been made to deceive the public, by re-engraving the old designs; but these duplicates are so far beneath the Original Paris designs sent to 'Graham,' that they excite only contempt. Our arrangements are complete, and we cannot be equalled in the beauty and correctness of this department of the Magazine. These plates appear in every number.

DR. THOMPSON'S

MEDICATED SYRUP OF CASTOR OIL.

THE subscriber would most respectfully inform the Citizens of Cambridge and the Public generally, that he has succeeded in making Castor Oil perfectly agreeable; and while it is rendered agreeable to the taste, the Cathartic properties are very little if any diminished; and by the medication all that acrid quality of which oil is generally possessed, which rendered it inadmissable with some persons, especially with infants, is entirely destroyed.

It is well known that Castor Oil is almost an universal medicine—entering into the use of every family, and administered in the treatment of almost every disease—and would be much more frequently prescribed by physicians, was it not for the great aversion patients have to its use.—But in this preparation, the subscriber can assure physicians and patients, they will find it so perfectly agreeable to the taste, that infants and ladies of the most delicate stomachs can take it without the least inconvenience. Indeed it is so perfectly palitable that should it be found necessary to take a little more in a dose it will not be found objectionable to the patient.

The Medicated Syrup of Castor Oil may be had at the subscribers Labratory, wholesale and Retail. Orders from a distance promptly attended to.

"Vive la Republique!"

VIVE LES PILLULES VEGETALES INDIENNES DE WRIGHT!

THE ORIGINAL AND ONLY

GENUINE INDIAN MEDICINE.

LONG LIVE THE REPUBLIC! LONG LIVE WRIGHT'S INDIAN VEGETABLE PILLS!

Another crisis in the affairs of humanity has passed: another FEVER turned; the hostile elements have met—the battle is fought and won!

FRANCE IS FREE!

A long struggle it has been—first bursting into the wild excesses of sudden political emancipation—then relapsing under a victorious leader; then snapping the chains imposed by the allied powers—and again yielding to time-serving conservatism. But France has tasted the sweets of Liberty. Could she forget it? No! Her perfidious king was, in the splendor of his power, driven ignominiously from his throne, and France—glorious, liberty-loving France, has again taken her place in the van of nations.

VIVE LES PILLULES VEGETALES INDIENNES DE WRIGHT!

Napoleon said that "the stomach governs the world." Nations are distinguished by the quality of their cookery, and are indebted greatly for energy of character to the perfection of digestion. While the ancient Romans lived in simplicity, they were invincible; but when luxury crept in, physical and mental enervation followed, until they were no longer able to resist the more hardy northerners. By improving digestion, and removing morbific humors, WRIGHT'S INDIAN VEGETABLE PILLS become a great moral and political engine. They clear the head, and by the buoyancy of spirits which they impart, improve the heart. They thus exercise a powerful influence in favor of civil liberty. The energy of a people depends necessarily upon the health of a people, and the maintenance of their rights depends upon their energy. Therefore give health, and you give energy, and sustain popular government.

Let all, then, cherish health, not merely for the enjoyment which it brings, but for the gigantic interests which depend upon it. Let Wright's Indian Vegetable Pills be used in the spring, to prevent disease in the fall. Had Louis Philippe been a man of common sagacity, he would have ceded to the people those little reforms for which they asked, and would thus have staved off a revolution. But he not only denied them, but added insult to injury, by curtailing the few privileges which the people had. Matter and mind are governed by the same general laws. Abuses may accumulate in the human body, which a revolution alone can remove; whereas, by moving in time, the evil day is postponed indefinitely,

"VIVE LA REPUBLIQUE!"

VIVE LES VEGETALES PILULES INDIENNES DE WRIGHT!!

BEWARE OF COUNTERFEITS AND IMITATIONS.

Remember, that the original and only genuine *Indian Vegetable Pills* have the written signature of WILLIAM WRIGHT on the top label of each box.

The genuine article is for sale by NEWTON & CREIGHTON, who are sole agents for Cambridge; Flemmings & Higgins, Big Mills; Martin L. Wright, Church Creek; J. L. & C. T. Willis, Cabin Creek; Vincent & Vane, Hicksburg; J. Bramble & Son, New Market; Daniel Cannon, Privilege; Keir & Green, Vienna.

Offices devoted exclusively to the sale of Wright's Indian Vegetable Pills, wholesale and retail, 169 Race street, Philadelphia; 288 Greenwich street, New York, and 158 Tremont street, Boston.
