My Dear Sir

Your letter of January 1887, enclosing an account current for the year ending December 1886.- and calling attention to draft No 77. as to whether it has been drawn or not is received. And in reply I beg to state, that draft No 77 was drawn January 1st 1884 in favor of Jno Emmanuel for the sum of sixteen dollars $16.00 a/c of painting the present School building

Nothing new, touching the business of the School to write about,- things are progressing in their usual order.

We were glad to learn that you had recovered from your recent illness.

We trust that your usefull life will be spared longer

I am Yours in sincerity
