disposition towards Maryland County, you can drop a few lines to Mr Carpenger, the manager of the emmigration operation to Liberia, and he will inform you of the base things Mr Tuning have written him against the agent and the sub agent of Maryland County in particular hoping thereby to hinder the further settlement of Maryland County. Mr Tuning states that he has wrote you a second letter requesting you to disclose his name - not to conceal it as you wrote him you would do. We are also informed that he setsforth as a ground of complaint against us - our not sending our children to the Hall Free School. I do truthfully deny that assertion because Mr D F Wilson the president of the board sends 4 children from his house. Mr E H A Dennis the recording sec sends all under his care, and I send my two children to the Hall school.

It have been always understood that the school was intended to be a primary school untill the funds would by an economical use warrant the employing a teacher of a higher grade. It should not be expected that Bp Ferguson who represents the P E church in this country would send his children to any other School than one belonging to his church.

The board thought it advisable that I should write you this explanatory letter as the facts
